Dear Friend,

Thank you for being a valued supporter of the SPCA of Northern Nevada.

Our annual ***Affur to Remember Gala***, the SPCA's premier fundraising event, is back this year with a spring season date of **May 11, 2019**, being held once again at the **Renaissance Reno Downtown Hotel**.

This event will include a raffle, silent auction, live auction, and a life-saving paddle raise. Please help us save lives and donate or procure an item for the fundraising portion of the evening. It would truly be an honor to have you and/or your business as a part of our event.

I also want to personally invite ***you and your vaccinated, well-behaved dog*** to attend the ***Affur to Remember Gala!*** There will be some SPCA alumni animals there for you to meet and mingle with, as well as some adoptables to showcase, and fun entertainment.

Thank you in advance for your help! The SPCA rescued over 2100 pets in 2018, thanks to generous donations from supporters like you.

They are 100% community funded and the money raised during the Affur Gala will sustain our lifesaving programs, including: rural rescue, adoptions, medical care, low-cost spay/neuter, vaccination clinics, and our shelter feeding program. Thank you for your consideration!

Warmest regards,

Sean
